

Cooking Up A Healthier Financial Future

Are you afraid to look at your financial statements? When you do have the courage to look, do you ask, "Why do I own all this stuff?"

Need help sorting it all out?

This class is for you. Learn the 3 most valuable concepts to help you plan and invest wisely. And maybe have some fun.

Join Jeff Stoffer, principal of Stoffer Wealth Advisors and former Chez Panisse chef, as he cooks up a four-course "investment menu" to expand your financial knowledge. You'll never look at your statements in the same way again.
